

UNDERSTANDING LOCAL HAZARDS

Visit totalprepare.ca/prepare-for-local-hazards for details

Hazard: _____

1. What are the main dangers caused by this hazard?

2. Will I have to evacuate in the event of an emergency, or should I shelter in place?
Why?

3. Will I be able to access a grocery store during this emergency? Why or why not?

4. How long is this emergency likely to last? Why might it last longer than expected?

UNDERSTANDING LOCAL HAZARDS

5. What other factors could make this emergency more dangerous?

6. What supplies will I need to keep myself and the people around me as safe as possible during this emergency?

7. What steps will I have to follow to get to safety during this emergency?
